

2025 RED Commercial Real Estate Award Winners

NEW YORK, NY, UNITED STATES, March 26, 2025
/EINPresswire.com/ -- 3rd Annual RED Commercial Awards to Honor Industry Leaders on April 3 at The James NoMad Hotel Part of the 12th RED Awards Series Celebrating Real Estate Excellence Across the Country

On April 3, 2025, the commercial real estate industry will converge at The James NoMad Hotel for the 3rd Annual RED Commercial Awards, a premier event celebrating excellence, innovation, and leadership in commercial real estate. This highly anticipated gathering is part of the broader 12th RED Awards series, which honors top achievers across residential, hospitality, architecture, and commercial real estate markets throughout the United States.

The RED Commercial Awards recognize a powerful range of professionals — from legendary developers to emerging visionaries, from prop-tech pioneers to zoning strategists. Hosted by industry icon Bob Knakal of BKREA, this year’s sold-out ceremony brings together a dynamic crowd of decision-makers, innovators, and change agents.

Founded by Selman Yalcin, the RED Awards are known for their integrity and credibility. Winners are selected through a confidential nomination and review process overseen by a respected advisory board of industry leaders.

“The RED Commercial Awards shine a spotlight on the individuals and firms pushing the industry forward,” said Yalcin. “This is more than a ceremony — it’s a celebration of what’s possible in commercial real estate when vision meets execution.”
