

# AI CERTs' Kara Flanagan Named Among 'Leading Women in AI' by THE AI SHOW @ ASU+GSV 2025

NEW YORK, NY, UNITED STATES, March 27, 2025 /EINPresswire.com/ -- [AI CERTs™](#), a global provider of [role-based certifications in artificial intelligence](#) and blockchain, is proud to announce that Kara Flanagan, Head of Partnerships, has been recognized as one of THE AI SHOW @ ASU+GSV's 2025 Leading Women in AI. This honor celebrates more than 200 outstanding women advancing AI innovation in EdTech, research, and practice.

Flanagan was selected as an EdTech honoree, spotlighting her contributions to expanding access to AI and blockchain education through strategic partnerships and ecosystem collaboration.

"Kara is a driving force behind our mission to expand global access to AI and blockchain upskilling," said Russell Sarder, Chairman & CEO of AI CERTs™. "Her leadership and commitment to high-impact collaboration have helped position AI CERTs as a trusted resource for organizations looking to stay competitive in an AI-driven world. We're thrilled to see her receive this well-deserved recognition."

The recognition is part of a multi-day digital campaign leading up to THE AI SHOW @ ASU+GSV, taking place April 5–7, 2025, in San Diego, California. The event brings together global leaders shaping the future of AI in education, enterprise, and society.

"I'm honored to be recognized among so many inspiring women who are helping shape the future of AI," said Kara Flanagan. "At AI CERTs, we believe AI should be a tool for everyone - not just a select few - and I'm proud to work alongside partners who are making that vision real."
