

American Psycho's Patrick Bateman Offers Business Advice in New Book

THE PERFECT GIFT FOR BUSINESS SCHOOL GRADUATES OR ANYONE LOOKING TO MAKE A KILLING IN THE BUSINESS WORLD!

NEW YORK CITY, NY, UNITED STATES, March 27, 2025

/EINPresswire.com/ -- [AMERICAN PSYCHO: HOW TO MAKE A KILLING IN BUSINESS...AND LIFE](#) (Rizzoli

Universe) is inspired by the film American Psycho, a darkly humorous collection of tongue-in-cheek advice on how to make it in the cutthroat world of business, as well as pointers about work/life balance, dating, and personal style. Since its release in 2000, the film American Psycho, starring Christian Bale as Patrick Bateman, has been lauded as a searing send-up of toxic masculinity and 1980s materialism.

How to Make a Killing in Business . . . and Life draws upon the film's macabre, campy humor, resulting in a funny advice book of sorts, with recommendations on how to slash the competition and dealing with the challenges of letting work bleed into personal life. The book combines dynamic art with darkly witty wisdom about how to get that coveted reservation at Dorsia, the dos and don'ts of choosing a business card, deep dives on the importance of pop music groups like Huey Lewis and the News, and ideas on how to dispose of your rivals. This compendium of tips is the perfect gift for fans of film, horror, and humor.
