

Koniag Government Services Achieves AWS Migration and Modernization Competency

CHANTILLY, VA, UNITED STATES, March 31, 2025 /EINPresswire.com/ -- Koniag Government Services (KGS) has achieved the [Amazon Web Services \(AWS\) Migration and Modernization Competency](#) after a rigorous one-year process. Among AWS Certified partners with this competency, KGS is currently the only Government industry partner that participates in

the Small Disadvantaged Business 8(a) program. This new competency expands on KGS' strategic involvement with AWS. Along with earning a Government Consulting Competency in 2022, KGS has joined five AWS partner programs, including: Select Tier Training, Advanced Tier Services, Authorized Training Partner, AWS Solution Provider Program, and AWS Public Sector Solution Provider.

“

The AWS Migration and Modernization Competency demonstrates the talent and dedication of our workforce, as well as our proven capability to deliver AWS solutions reliably and successfully.”

*Paul Williams, VP of Solutions,
Koniag Government Services*

The AWS Migration and Modernization Competency allows customers to easily and confidently engage highly specialized AWS Partners to modernize their applications, either before or after they migrate to AWS. As a trusted AWS partner, we deliver software solutions that embrace cloud and application transformation, reduce licensing and

operational costs, and improve overall performance, maximizing agility, resilience, and cost-effectiveness for our clients.

“KGS is proud to be one of the few organizations to reach the AWS Migration and Modernization Competency,” said Paul Williams, KGS' Vice President of Solutions. “This competency demonstrates the talent and dedication of our workforce, as well as our proven capability to deliver AWS solutions reliably and successfully. Through this competency, we deliver measurable value to our customers.”
