The company remains steadfast in its pursuit of excellence, innovation, and service quality within the clinical development sector.

Intrinsic Health extends its sincere appreciation to the Singapore Business Awards panel for this distinguished honour.

About Intrinsic Health

Intrinsic Health is an EN ISO 13485, ISO 9001 & GDPMDS certified [global clinical development support organisation](#), accomplished in facilitating the development of clinical trial studies globally. Intrinsic Health has expanded its presence worldwide with offices present in countries including the United States (Delaware), The Netherlands (Amsterdam), United Kingdom (London), China (Beijing), Taiwan (Taipei), South Korea (Seoul), India (Delhi), Malaysia and Singapore. Being managed by drug development professionals with over 300 years of combined experience supporting global clinical trials across various therapeutic areas, the team at Intrinsic Health knows and understands the needs of the clients while providing best-in-class, comprehensive and robust solutions to overcome the hurdles and pain points of conducting a clinical trial.

Intrinsic Health is the industry expert in solving clinical supply chain challenges, such as product availability & lead times, selection of in-country sourcing Vs. import, import regulations and IOR/EOR requirements, storage & warehousing, kitting, labelling & printing, installation, calibration, validation, servicing & maintenance of equipment and supplies, local sourcing, and

procurement services, all while maintaining the highest levels of quality throughout study timelines. Intrinseque Health engages early with its clients and utilises an operational methodology based on a proven, cost-effective clinical supply chain strategy for each clinical trial. It firmly believes that even the most minor and essential items, irrespective of their utility, should be available at sites at all times, because nothing is more important than the value of a patient's life. Intrinseque Health aims to become the global leader in clinical trial support services and constantly thrives in innovating and offering unique solutions.
