PowerDMARC Named Grid Leader in G2 Spring 2025 Reports

In addition to the Grid Leader badge, PowerDMARC has been named a Regional Leader for DMARC in EMEA and the Asia-Pacific regions, along with multiple accolades for Best Usability, Best Results, Best Relationship, High Performer, and Fastest Implementation in the small-business and mid-market segment.

Regional Leadership in EMEA & Asia-Pacific

PowerDMARC continues to lead the way in these regions by reinforcing email security and protecting organizations from email-based cyber attacks. Its success is driven by:

- Comprehensive email authentication solutions tailored for businesses of all sizes
- Exceptional customer support and expert guidance
- Cutting-edge automation and analytics for greater visibility
- Scalable solutions designed to meet the needs of enterprises, MSPs, and SMBs
- Customer-Driven Recognition

G2's rankings are based entirely on customer feedback, making this achievement a testament to the trust and satisfaction PowerDMARC users place in the platform. The company continues to innovate, providing effortless DMARC compliance and email security.
A Future of Innovation

"We are honored by this recognition, which reflects our customers' trust in PowerDMARC," said Maitham Al Lawati, CEO at PowerDMARC. "We remain committed to making email authentication seamless and effective."
