“

At AmeriFreight, we honor our military by offering stress-free, affordable car transport, so they can focus on duty and family—without the stress of handling vehicle logistics.”

Asadullah Ismailzada, CEO at AmeriFreight

Recognizing the unique challenges military personnel face when relocating, AmeriFreight has designed its military car shipping services to be both affordable and efficient. With an extensive carrier network, the company ensures safe and timely vehicle transportation across all 50 states, accommodating PCS moves, deployments, and other military relocations.

“At AmeriFreight Auto Transport, we deeply appreciate the service and sacrifice of our military members,” said Asadullah Ismailzada, CEO at AmeriFreight. “Our goal is to

provide them with stress-free car transport solutions at competitive rates, allowing them to focus on their duties and families without worrying about logistics.”

The military car shipping page provides information on the types of services the company offers, from Open Car Transport, Enclosed Auto Transport, Expedited Car Shipping, Door-to-Door Auto Transport, to Motorcycle Shipping as well as the overall shipping process, making it easier for service members to navigate their vehicle transport needs.

AmeriFreight also offers special military discounts to help ease the financial burden of relocation. Their online resource pages are designed to be user-friendly, providing clear answers to common questions and ensuring that military members can quickly find the information they need to make informed decisions.

AmeriFreight's commitment to excellence is reflected in its dedication to customer satisfaction. Each transport request is handled with care, making sure that there is transparency and clear communication throughout the shipping process. Military personnel can always take advantage of door-to-door delivery services, enclosed transport options for high-valued vehicles, and expedited shipping when urgent moves are required. The company also offers flexible scheduling to accommodate last-minute orders that frequently happen due to military reassignments.

With 20+ years of experience in the auto transport industry, AmeriFreight continues to stand out among car transport companies in the United States for its commitment to customer service, honesty, and affordability. The company works with only top-rated carriers to ensure vehicles arrive safely and on time. Each carrier undergoes rigorous screening and compliance checks to meet the highest industry standards, providing peace of mind to service members and their
