

Black Limousines Unveils Premium Mercedes-Benz Minibuses in Fleet Expansion

Premium Mercedes-Benz Sprinter minibuses join the fleet, offering luxury amenities and expanded capacity for VIP group transportation.

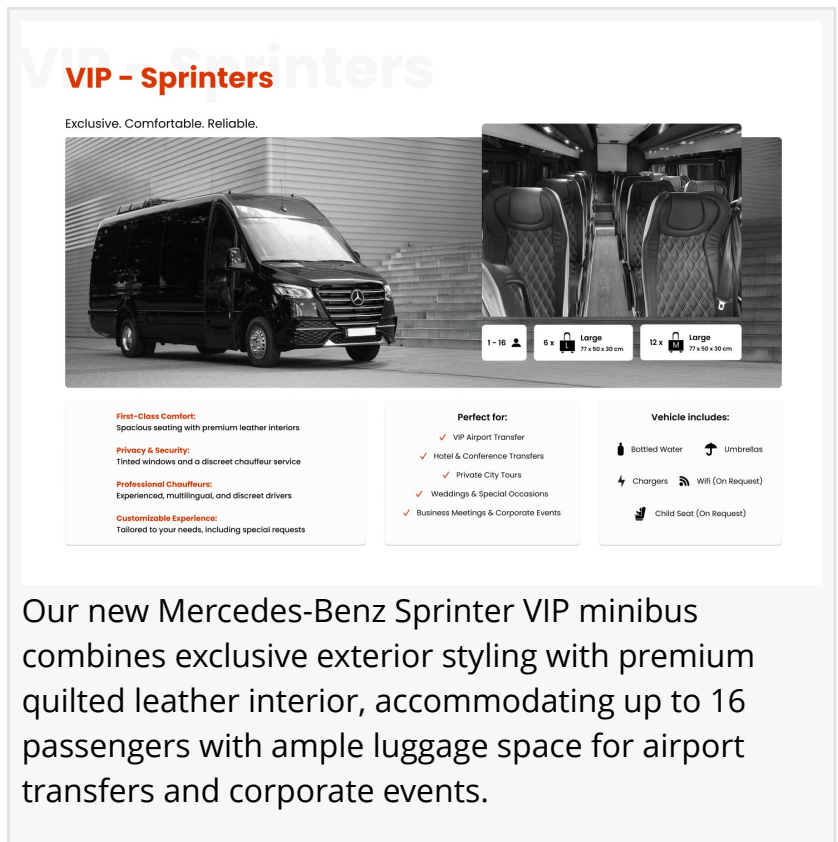

COLOGNE, GERMANY, March 28, 2025 /EINPresswire.com/ -- Innovation has always been at the core of what we do at [Black Limousines](#). As the premier travelers and residents trust, we continuously seek opportunities to elevate our offerings. While other transportation services remain stagnant, we continuously seek opportunities to elevate our offerings. Today, we're proud to announce our latest enhancement to our premium ground transportation services.

Introducing Our New Mercedes-Benz Sprinter Fleet

We've recently acquired the latest generation of Mercedes-Benz Sprinter vehicles in both standard and extended configurations. Long considered the gold standard in executive transportation, the current Sprinter model raises the bar even higher for luxury group travel. As the leading provider of [limousine service Munich](#) and beyond, our standard configuration comfortably accommodates 8 passengers, while our extended minibus version provides spacious seating for groups of up to 16 travelers—all wrapped in the uncompromising luxury and sophistication synonymous with the Mercedes-Benz name.

The Evolution of Group Transportation

Our fleet expansion was driven by both practical and experiential considerations. The new Sprinters feature advanced fuel-efficient engines and cutting-edge safety systems, providing
