

Kaliber Motors Announces Pre-Bookings of Kaliber Panther – AI Integrated Walk-In Box Truck

IRVINE, CA, UNITED STATES, March 28, 2025 /EINPresswire.com/ -- Kaliber Motors proudly announces the opening of vehicle bookings for its cutting-edge commercial EV box truck, the trailblazing Kaliber Panther.

Set to disrupt the last-mile and package delivery market, the Kaliber Panther's technology includes:

- Intelli-Eye smart and flexible vehicle ADAS solution: Provides Level 2 autonomy on unknown routes and Level 3 self-driving autonomy on fully known, and repeated/usual fleet routes.
- Intelli-Entry system: Enables fully automated vehicle and storage cabin access and monitoring systems.
- The highly efficient design, an all-in-one Power Box with a fire-resistant battery, extends the vehicle's range.

The company is targeting large and medium fleet owners. We have received an overwhelmingly positive response from a wide group of people. This moment marks a bold leap forward in transforming commercial transportation through the integration of advanced AI technologies and highly power-efficient, sustainable solutions.

Kaliber Panther, a fully electric, customer-centric walk-in delivery box truck, sets a new standard for efficiency, safety, and environmental impact. Featuring advanced AI integration, zero emissions, and exceptional long-range capabilities, the Panther is not just a truck, it's a market disruptor and a transformative product. It's designed for businesses ready to accelerate into the future with smarter, greener transportation.

We are thrilled to unveil the next chapter in our story as commercial fleet vehicle disruptors. The

Kaliber Panther represents a new era of vehicle innovation, and by opening bookings, we're inviting early adopters to be part of a cleaner, smarter future," said Steven Braido, CEO of Kaliber Motors.
