BLOOMFIELD HILLS, MI, UNITED STATES, April 1, 2025

[/EINPresswire.com/](https://www.einpresswire.com/) -- The picturesque neighborhoods of Oakland County and its neighboring communities are no strangers to a common yet exasperating challenge: deer damaging the carefully cultivated landscapes of homeowners. For many, it's not just about the loss of plants; it's about the heartbreak of watching time, effort, and investment disappear overnight. Stepping up to tackle this issue head-on is Rick Ross, the newest franchisee of Deer Solution, bringing an innovative and effective approach to protecting local landscapes.

Rick Rosss (l.) is welcomed to the brand by co-founders of Deer Solution Franchising Kris Goodrich (m.) and Jaime Goodrich (r.)

Rick Ross, a lifelong member of the Oakland County community, knows firsthand the frustration of losing cherished landscaping to hungry deer. With a distinguished career as a senior advertising executive and a deep passion for nurturing both people and the environment, Rick is uniquely equipped to understand and address the needs of local homeowners. A graduate of Michigan State University and the proud owner of a tree farm, Rick has always been dedicated to fostering growth—whether it's in relationships, businesses, or nature.
