With over 78 million plays on Pandora, troubadour and award-winning songwriter, Forest Sun, enlivens audiences around the globe with his wealth of songs and stories, all sung and told in a laid-back California style. Sun's soulful music draws on a deep well of Americana and is compared

to everyone from Jack Johnson and The Avett Brothers to Van Morrison and Bob Dylan. He's played festivals from California (Strawberry Music Festival, American River Music Festival) to Europe (Belladrum in Scotland, Fiesta City in Belgium), opened for such luminaries as Lyle Lovett, Bonnie Rait, Steve Earle, Keb Mo, and toured with folks like Brett Dennen, Mason Jennings and the Beach Boys (Forest met famed Beach Boys producer Van Dyke Parks at a festival porch jam

and later swapped songs on his piano at his house in LA). Musical collaborations on his records include members of Bob Dylans band, members of Calexico/Iron and Wine, Heather Masse(The Wailin' Jennys, Prairie Home Companion) Jolie Holland (The Be Good Tanyas), JT Nero(of Birds of Chicago), Sean Hayes, jam band ALO, and bluegrass band Hot Buttered Rum.

Forest's songs mine his deep folk roots and embrace his love of gospel, soul, reggae, and country. Sun's music has appeared on Showtime, NBC, PBS, MTV and in several film scores and soundtracks. Learn more at Forest Sun's website.
