“

The big picture is that the monies spent on permitting will go in part to benefit youth sports in our community and help make youth sports more accessible”

*Jason Gruner*

The banners were installed after NSA secured an official permit through Collier County, with all necessary approvals for long-term display. The initial investment of \$1,500 and subsequent reoccurring \$1,500 yearly in permitting, not only helps build awareness for NSA's programs but also contributes to the local youth community athletics.

Jason Gruner, Executive Director of Naples Soccer Academy said, “The big picture is that the monies spent on permitting will go in part to benefit youth sports in our community and help make youth sports more accessible.

The NCRP facility is truly a premium venue in Southwest Florida. The superintendent and staff provide outstanding customer service, and the grass pitch is always impeccably maintained.
