Since February, SeedLegals has been actively involved in Startup Grind NYC's signature gatherings, including the monthly Founder Drinks Roundtable and Pitches and Pints showcase.

As an official partner and sponsor, SeedLegals is not only showing up to support the founder community in person, but also offering a dedicated partner deal for Startup Grind members.

“

SeedLegals is built by founders, for founders—and there's no better way to connect with and support the next generation of entrepreneurs than through the vibrant Startup Grind community”

“SeedLegals is built by founders, for founders—and there's no better way to connect with and support the next generation of entrepreneurs than through the vibrant Startup Grind community,” said Anthony Rose, CEO and co-founder at SeedLegals. “New York has one of the most incredible startup ecosystems we've seen anywhere, and we're thrilled to be part of it and working with Startup Grind NYC. We're excited to meet amazing founders in

NYC, share what we've learned, and help them grow faster with the right tools and legal infrastructure from day one."

"Startup Grind is dedicated to fostering a strong and supportive ecosystem for New York City's entrepreneurs. Partnering with SeedLegals allows us to provide our community with invaluable resources and tools that address critical needs for growth, like navigating legal and fundraising complexities. We're delighted to join forces with SeedLegals to further empower our members and help them build successful businesses." - Joshua Ness, Director, Startup Grind NYC

The partnership marks another milestone in SeedLegals' US expansion, reinforcing its commitment to building meaningful relationships with founders on the ground. With a shared mission of making entrepreneurship more accessible, SeedLegals and Startup Grind NYC are creating an environment where founders can learn, grow, and thrive—together.

As part of the partnership, Startup Grind NYC members can access a 10% discount on selected SeedLegals services—a small way to lower the barriers for early-stage founders and help more teams get investment-ready. Visit the [SeedLegals for Startup Grind members](#) page to learn more.
