“

With the Laundry Jet system, we’re giving homeowners and businesses a smarter, cleaner, and faster way to manage laundry.”

*Mike Pepe*

Designed to streamline household chores and improve efficiency, the Laundry Jet system eliminates the hassle of laundry baskets, stair trips, or cluttered hampers. With just the press of a button or swipe of a switch, users can send clothes, towels, and linens flying effortlessly through a sleek, in-wall transport system.

“Laundry doesn’t need to be a burden,” said Mike Pepe, a spokesperson for Long Island Laundry Jet. “With the

Laundry Jet system, we’re giving homeowners and businesses a smarter, cleaner, and faster way to manage laundry.”

As Long Island’s exclusive installer, Long Island Laundry Jet provides full-service installation — from design consultation to system integration. Their team of licensed, insured, and OSHA-certified professionals ensures that every installation is completed with safety, precision, and long-term reliability in mind.

Whether you're outfitting a custom home, retrofitting an existing property, or upgrading a [commercial laundry facility](#), Long Island Laundry Jet offers solutions tailored to your unique

needs.

Key benefits of the Laundry Jet system include:

- Fast and quiet transport of laundry via air suction
- Multi-room access points for convenience
- Custom configurations for homes and businesses
