LincolnIT Renews Membership with the MSPAA®, Reinforcing Commitment to IT Excellence

LincolnIT, a trusted leader in managed IT services, announces the renewal of its membership with the Managed Service Providers Association of America® (MSPAA®).

NEY YORK, NY, UNITED STATES, April 1, 2025 /EINPresswire.com/ -- LincolnIT, a trusted leader in managed IT services, announces the renewal of its membership with the Managed Service Providers Association of America® (MSPAA®). This ongoing partnership demonstrates LincolnIT's dedication to best-in-class IT solutions, industry leadership, and continuous improvement to better serve businesses across various industries.

From cloud migrations, to remote work management, we help you build and manage custom IT solutions that meet the needs of your business.

> "
> Our continued partnership with the MSPAA® reflects our commitment to providing businesses with reliable, scalable, and forward-thinking IT solutions"
>   *Teddy Cillis - CEO at LincolnIT*

About LincolnIT:
A Proven IT Partner for Business Success
LincolnIT has been a reliable IT partner for small enterprises and businesses, delivering tailored technology solutions that drive operational efficiency and long-term growth. With a client-first approach, LincolnIT offers:
• Comprehensive IT Management – Proactive monitoring, helpdesk support, and strategic IT consulting to keep businesses running smoothly.
• Cybersecurity & Compliance – Advanced threat protection, risk assessments, and compliance services to safeguard sensitive data.
• Cloud & Infrastructure Services – Scalable cloud solutions, disaster recovery planning, and network optimization to enhance business agility.
• Industry-Specific Expertise – Customized IT solutions for healthcare, finance, legal, education, manufacturing, and other industries with specialized compliance and operational needs.

Why LincolnIT's Membership Matters for Clients.

The MSPAA® plays a critical role in advocating the managed services industry through awareness, outreach, and collaboration. By maintaining its membership, LincolnIT remains at the forefront of technological advancements, cybersecurity trends, and best practices, ensuring that its clients receive the most up-to-date and secure IT solutions available.

"Our continued partnership with the MSPAA® reflects our commitment to providing businesses with reliable, scalable, and forward-thinking IT solutions," said Teddy Cillis - CEO at LincolnIT. "We take pride in aligning our services with industry standards and innovations, helping our clients stay competitive in a rapidly evolving digital landscape."

Partnering with LincolnIT

With a focus on technology alignment, operational efficiency, and security, LincolnIT empowers businesses to leverage IT as a strategic asset. Whether modernizing infrastructure, securing critical systems, or streamlining IT operations, LincolnIT provides end-to-end technology solutions that support business growth.
