Global CTI Joins the MSP Association of America®, Strengthening Its Position as a Leading Technology Solution Provider

Global CTI, a trusted MSP leader in voice, cybersecurity, and managed IT solutions, is proud to announce its membership in the MSP Association of America®

BAKERSFIELD, CA, UNITED STATES, April 1, 2025 /EINPresswire.com/ -- Global CTI, a trusted MSP leader in voice, cloud, cybersecurity, and managed IT solutions, is proud to announce its official membership in the MSP Association of America® (MSPAA®). This collaboration underscores Global CTI's ongoing commitment to enhancing its expertise in delivering cutting-edge managed IT services tailored for businesses across various industries.

Global CTI offers leading-edge technology and integrations to meet the modernization and convergence of Voice, Cloud-based Communications, Cybersecurity, Managed Data Networks and Physical Security.

For over three decades, Global CTI has built a reputation as a reliable partner, providing businesses with custom IT solutions that modernize system communications, safeguard data, and enhance operational efficiency. By joining the MSPAA®, Global CTI is now part of a global network of managed service providers known for their dedication to excellence, industry innovation, and client trust.

> **Global CTI's membership in the MSP Association is an exciting milestone for us and our clients"**
>
> *David Kaiser, President at Global CTI*

Membership in this prestigious association demonstrates Global CTI's mission to remain at the forefront of IT solutions, ensuring its clients benefit from the most advanced, secure, and scalable technology available.

"Global CTI's membership in the MSP Association is an exciting milestone for us and our clients," said David Kaiser, President at Global CTI. "This partnership reinforces our commitment to delivering world-

class managed solutions for voice, cloud, cybersecurity, and network services. It's a testament to the unwavering dedication of our team and the confidence our clients place in us."
