Below are just a few of the many positive testimonials from pet owners who were highly impressed by Puget Sound K9 Academy's

communication and exceptional service:

"I have been attending classes since January, my dog is fearful of other dogs and Jamie has been great at helping us build our confidence as a team. I attended a few other training courses with different places when my dog was a puppy, Puget Sound K9 Academy is the first place to take the time to get to know my dog, what our goals are and how to reach them."

"I enrolled my 2 year old German shepherd rescue named Ruby at Puget Sound k9 Academy because she was very dog reactive. Through their training and knowledge, she is much better and learning a new command every session. I'd recommend them to anybody who needs help with behavioral issues or just basic obedience training."

"These guys are amazing! I live in a household with a 90lb puppy and a 25lb special needs dog. He has worked with us together and individually and both dogs are getting so much better. I am learning as well how to work my dogs brain and give her tasks to give her purpose. 100% recommend!"

"We have been attending classes with Jamie since January. First impression is that the facility is so clean. His training style is directed to the client and the dog in training. We are very pleased with his ability to "read" our dog and adjust each session to meet maximum training retention. Highly recommend."

The Puget Sound K9 Academy team consistently goes above and beyond to ensure outstanding project results for every client.
