HACKENSACK, NJ, UNITED STATES, April 4, 2025 /EINPresswire.com/ -- Fouerti Realty is proud to announce the official completion and leasing launch of 95 Anderson, now known as THE FORTE—a landmark project that brings a bold new definition of luxury to Bergen County. With over 222 premium residences and nearly 40,000 square feet of indoor and outdoor amenities, THE FORTE isn't just a new property—it's the embodiment of everything super luxury living should be.

"This project is deeply personal to us," said a spokesperson for Fouerti Realty. "Every square foot of THE FORTE was designed with care, intention, and a desire to create something timeless. We didn't just want to build apartments—we wanted to build a lifestyle. From the rooftop views to the custom Italian kitchens, every detail was curated to deliver elegance, functionality, and comfort for the modern renter."

A Jewel in Hackensack's Revitalization

Fouerti Realty saw Hackensack not just as a location—but as an opportunity to be a part of the city's incredible transformation. Nestled in Bergen County, one of New Jersey's most sought-after regions, Hackensack offers a rare blend of history, convenience, and potential.

With a vibrant downtown, thriving small businesses, and direct train access to Manhattan via NJ Transit's Anderson Street Station, THE FORTE is perfectly positioned for both commuters and locals who value a connected, elevated lifestyle.

"We believe Hackensack is one of the most exciting places to live in New Jersey today," Fouerti Realty added. "It offers the best of both worlds—quick access to NYC, proximity to top schools and shopping, and a peaceful community atmosphere. THE FORTE is built for the people who want it all."
