

# "AI: OPENING" wins the 2024 Reader Views Grand Prize Gold Award in Fiction

*This psychological thriller by George Saint Georges earns one of the top prizes in the Annual Reader Views Literary Awards program.*

AUSTIN, TX, UNITED STATES, April 2, 2025 /EINPresswire.com/ -- Reader Views announces Ai: Opening by George Saint Georges as one of the overall grand prize winners in the 2024 Reader Views Literary Awards. Saint Georges' novel is celebrated for its captivating puzzle-like narrative, exploration of secret societies, and thought-provoking themes, distinguishing it as one of the standout entries in this year's competition. The novel takes home the gold award, an honor accompanied by a cash prize and special marketing promotions.

Set on the enigmatic Island of Ai, Ai: Opening follows college senior Walt Walls as he stumbles upon dark secrets hidden beneath Credence University. As Walt uncovers the island's disturbing truths, the novel unravels themes of identity, deception, and unseen forces that shape human nature.

Chelsy Scherba with Reader Views said of the story, "Ai: Opening offers a gripping narrative that masterfully blends suspense, psychological complexity, and an immersive atmosphere. Saint Georges keeps readers engaged with unexpected twists and thought-provoking themes."

The Book Review Directory shares, "Saint Georges's narrative is a true psychological thriller in every sense of the word. When an author takes the mundane and juxtaposes it with the terrifying in often subtle ways, the recipe cooks up a tale rife with persistent tension on the page that is hard to put down."

St Georges reflects, "I wanted to challenge readers to question appearances and explore the

complexities of the human mind and the world we live in. Receiving this award is an incredible honor, and I encourage readers to find that they are the solution and realize that they can make a difference in the life of one child.”

AI: OPENING (ISBN: 979-8991300919, Oh No Publishing, 2024) will be available exclusively at the [author's website](#) until its global release May 30, 2025.
