and their budget.”

This initiative reflects My Barndo Plans’ core mission:

“To improve the home building process by delivering the most efficient homes at affordable prices.”

“We want people to experience firsthand the quality and thoughtful design that go into every one of our plans,” said a spokesperson for My Barndo Plans. “Giving away the Quinn plan is our way of helping more homeowners take that first step toward building a home that fits their needs

The free Quinn blueprint includes detailed floor plans and key features like an extra-large master suite, a functional kitchen layout with pantry storage, and a carport to keep building costs low. It’s also engineered for multiple construction methods, including cold-formed steel, wood framing, and SIPs—giving builders and DIYers flexible options for various climates and local code

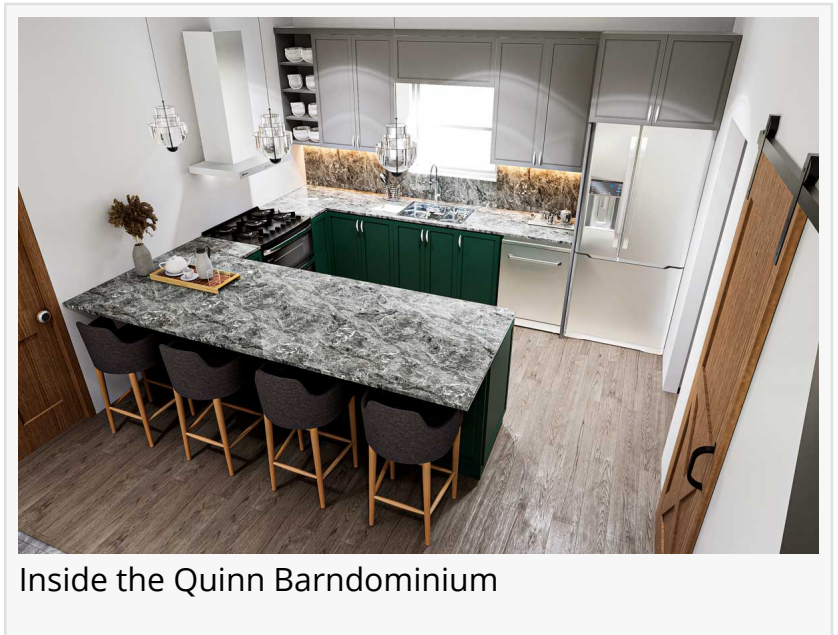

requirements.
