

Black Talon Security Promotes Paul Murphy to Chief Growth Officer

Pioneering cybersecurity solutions tailored for the dental and healthcare industries

KATONAH, NY, UNITED STATES, April 2, 2025 /EINPresswire.com/ -- Black Talon Security, a leader in [cybersecurity solutions](#), is proud to announce the promotion of Paul Murphy to the position of Chief Growth Officer. In this role, Paul will spearhead growth strategies, strengthen client partnerships, and lead the sales team in driving measurable outcomes that benefit the dental and healthcare sectors.

Since joining Black Talon in 2018, Paul has played a pivotal role in enhancing the company's presence within these industries. His strategic vision and commitment to excellence have directly contributed to Black Talon's position as the go-to cybersecurity partner. The company has achieved consistent growth and built a reputation as a champion of cybersecurity solutions uniquely designed for the challenges faced by the [healthcare industry](#).

Paul Murphy promoted to Chief Growth Officer at Black Talon Security

"Paul's dedication to our mission of protecting healthcare organizations, coupled with his proven leadership, makes him the perfect fit for this role," said Gary Salzman, CEO of Black Talon Security. "We are confident that his leadership will propel us forward as we continue to deliver unmatched cybersecurity solutions to our clients while exploring opportunities for growth in adjacent markets."

With cyberattacks on the rise and healthcare organizations facing increased scrutiny from cybercriminals, Paul's promotion could not be more timely. Under his guidance, Black Talon will expand its efforts to provide tailored security services that reduce risk, protect data, and ensure operational continuity. By partnering closely with dental practices, specialty medical offices, and large healthcare organizations, Paul is poised to further Black Talon's commitment to ensuring trust and resilience in an increasingly digital healthcare landscape.

"I'm deeply honored to take on this role at such a critical moment for our clients," said Paul

Paul's dedication to our mission of protecting healthcare organizations, coupled with his proven leadership, makes him the perfect fit for this role."

Gary Salman

Murphy. "The dental and healthcare sectors are under immense pressure to protect their data and meet compliance standards. I'm excited to work with our talented team to deliver innovative solutions that not only address these challenges but also exceed client expectations."

Black Talon's tailored solutions, such as its [EAGLEi™](#) cyber risk management platform, enable dental and healthcare organizations to identify and address security

vulnerabilities with precision. By aligning data protection strategies with the unique needs of healthcare businesses, Black Talon empowers healthcare leaders to stay ahead of evolving threats and maintain trust within their patient communities.
