“

This weekend isn't about fixing you—it's about remembering who you are when you're not performing or pleasing.”

At the heart of this event is the meaning behind WANTED: Women Achieving New Triumphs Every Day—a powerful call to live fully, love boldly, and stop settling.

This Isn't a Conference—It's a Reset

WANTED Woman Live is intentionally curated to help

women rest, reflect, and realign—creating space for clarity in love without the pressure to be “on” all the time. The experience includes:

Live love coaching with Coach Cass

Healing workshops to uncover and shift deep-rooted love blocks

Sessions on self-worth, emotional wellness, and modern dating

A space to recharge through sisterhood, movement, and meaningful connection

A supportive, aligned community of women who get it

“This weekend isn’t about fixing you—it’s about remembering who you are when you’re not performing or pleasing,” says Coach Cass. “We create space for joy, softness, and clarity—so you can move forward in love without fear or settling.”

Two Signature Moments You Won’t Want to Miss

□ The Men’s Panel: Real Talk from Quality Men

This powerful panel features emotionally available, relationship-ready men sharing real insight into connection, commitment, and what healthy love looks like. Attendees will have the opportunity to ask meaningful questions and hear honest perspectives, creating clarity and breakthrough around modern relationships.

□ Sunday Beach Release: Letting Go with Intention

The weekend closes with a beachside release ceremony—a sacred moment where attendees symbolically let go. With waves as the backdrop and community as support, it’s a freeing experience that opens the door to love, peace, and possibility.

Why It Matters

Following a sold-out 2024 experience, demand for this year’s event is already rising. Many attendees arrive solo, skeptical, or unsure—and leave renewed, connected, and transformed.

“I walked in guarded and left glowing. It was the first time in years I felt truly safe to let go and be myself.”

— Nicole M., 2024 Attendee
