### Supporting a Changing Industry

The 2025 Pet and Animal Care Awards highlight the evolution of a sector that continues to adapt to the changing needs of pet owners, veterinary professionals, and animal welfare organisations. With increased focus on integrated care, digital accessibility, and preventative health, this year's winners reflect a commitment to long-term impact and responsible service.

From advanced technologies supporting animal welfare assessment to customer-led approaches in clinical practice and insurance, the industry is embracing a more connected, transparent, and compassionate model of care. These businesses demonstrate a thoughtful balance between innovation and empathy, contributing to higher standards across the board.

Business Awards UK congratulates all of this year's recipients for their achievements and for their contribution to the continued development of animal care in the UK.
