

Sarama Resources – Grant Of Options

PERTH, WESTERN AUSTRALIA,
AUSTRALIA, April 3, 2025

/EINPresswire.com/ -- The Board of Directors of [Sarama Resources](#) Ltd. (“Sarama” or the “Company”) (ASX:[SRR](#), TSX-V:[SWA](#)) has granted 4,550,000 options to directors of the Company as a result of the Company’s annual compensation review. This granting of options is made in accordance with the Company’s stock option plan which was approved by shareholders on December 21, 2022, and allows for the issuance of a number of options up to 10% of its rolling issued and outstanding common shares during any 12 month period. The Australian Securities Exchange (“ASX”) Listing Rule 7.2, exception 13(b) provides an exception to ASX Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which the Shareholders approve the issue of Equity Securities under the scheme as an exception to ASX Listing Rule 7.1.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. The grant of options under the Company’s stock option plan falls within the scope of ASX Listing Rule 7.2, exception 13(b) and therefore does not count towards the 15% threshold under ASX Listing Rule 7.1 described above.

Options to be granted to Directors will require Shareholder approval under ASX Listing Rule
