

Tech Industry Analyst Jeff Kagan to write Column for another news site

Wireless, Telecom, Tech Industry Analyst to write column for your news site

ATLANTA, GA, UNITED STATES, April 2, 2025 /EINPresswire.com/ -- Are you an editor or do you operate a strong and growing news web site? Are you looking to grow readership, numbers and popularity? Are you looking for a nationally recognized, top-level industry expert to write a column for your news site to help you build?

Want to discuss adding a top-level, Wireless, Telecom and Technology Industry Analyst and columnist to your news site to add new and interesting commentary for your readers? Then let's talk."

Jeff KAGAN

Meet Jeff Kagan.

Over 40-years, Kagan has become one of the best-known and most-influential voices and industry analysts in the [wireless](#), telecom and technology industries.

He has written thousands of columns and shared his opinion with a variety of news organizations. He has also

appeared as a guest expert on countless top-level, national web, print and broadcast media. See his web site for more detail.

Jeff Kagan has become a top-rated and well-known [columnist](#) and commentator for many news sites here in the United States and abroad.

In the mid-1980s, Kagan started as a Telecom [Industry Analyst](#). He shared his thoughts on breaking news, companies, changing technology and the changing industry through his columns, through giving comments to the media on their stories, through speeches and much more.

Over time Kagan industry coverage has grown and expanded, as has his name recognition, marketplace reach and trust.

Today, at a Wireless Industry Analyst and Tech Industry Analyst, Kagan follows many segments like wireless, telecom, technology, AI, IoT, private wireless, pay TV, cable TV, streaming, satellite, quantum and much more.

He shares his opinion on companies, new technology, new industry segments, how the world is continually changing and what the world will look like moving forward, giving investors, workers and executives a road-map to follow for the future.

Kagan commentary is regularly read by investors, business customers, consumers, competitors, workers, executives, regulators and more.

He is regularly called on by web, print and broadcast media to share his opinion and thoughts for their stories.

Kagan adds color and flavor to countless news pieces.

Would you like to speak with Jeff Kagan to discuss and explore the potential of having him write an occasional column for your news site?

Send Kagan an introductory email and schedule an initial phone call or conference call to discuss.
