As part of the firm's commitment to giving back to the community, Nurenberg Paris will donate \$5 for every new "Like" on their Facebook page and every new "Follow" on their Instagram account from now until the end of April.

“

We're thrilled to support the Ohio City Bicycle Co-op. Their work not only promotes sustainable transportation but also builds valuable skills and opportunities for community members.”

Jonathan Mester, managing partner

The Ohio City Bicycle Co-op is a non-profit bicycle education center that operates with a small professional staff and numerous skilled volunteers. In their 12,000 square foot bicycle mechanic shop, OCBC upcycles donated bicycles to make them safe and reliable for community members. The organization offers classes on bike riding and repair skills while leading community programs such as fix-athons and group bike rides. They also run a “bicycle thrift store” and programs providing affordable bicycles, repairs, and accessories to cyclists facing financial difficulties.

“We're thrilled to support the Ohio City Bicycle Co-op through our NP4CLE Charity of the Month program,” said Jonathan Mester, managing partner at Nurenberg Paris. “Their work not only promotes sustainable transportation but also builds valuable skills and opportunities for community members.”

The NP4CLE Charity of the Month Program is part of Nurenberg Paris's ongoing community involvement initiative. Each month, the law firm features a local charity on their social media platforms and makes donations based on audience engagement. This approach allows community members to support important causes simply by engaging with Nurenberg Paris online.
