

Toronto's Nicole Haber Has the #1 Song on Music's Leading Platform for Indie Artists

TORONTO, ONTARIO, CANADA, April 4, 2025 /EINPresswire.com/ -- [aBreak Music](#), music's most leading global indie artist discovery platform, announces that 'Rock Bottom' by [Nicole Haber](#) is the newest #1 on the aBreak58. Check it out at [aBreakmusic.com](#).

Electro-pop-punk artist Nicole Haber's latest release, 'Rock Bottom,' has struck a chord with listeners worldwide with their deeply personal track about battling mental health struggles, proving that even in our darkest moments, there's always a way forward.

"This song is the most vulnerable thing I've ever put out," says Nicole Haber. "I wrote it during one of the hardest times in my life when I was struggling with my mental health and ended up hospitalized. It's about feeling completely lost but also realizing that there's always a way back up. Seeing it reach #1 honestly blows me away - this song was written in my darkest moments and now it's reaching people who need it most."

"Reaching #1 on the aBreak58 is an incredible honor. It validates the vulnerability poured into 'Rock Bottom' and reinforces my belief in music's power to heal and connect us all. The song isn't just about my story - it's for anyone who's ever felt lost or alone."
