

Terry Moving & Storage Announces Exclusive Full-Service Move & Auto Transport Solution

Customers moving within California or across the country no longer need to coordinate separate logistics for their household goods and vehicles.

LAKE FOREST, CA, UNITED STATES, April 4, 2025 /EINPresswire.com/ -- [Terry Moving & Storage](#) is reshaping the way Americans move with its exclusive, all-in-one moving and auto transport service—a game-changer for homeowners relocating across the country.

While moving companies and auto shippers have operated separately for years, Terry Moving & Storage is making it feel like the first time customers can move their entire household—including their vehicle—in one truck, with one delivery date, and without the hassle of separate transport services.

FULL-SERVICE MOVE AND AUTO TRANSPORT SOLUTION

For too long, homeowners have been forced to coordinate separate logistics for their household goods and their car, often leading to costly delays, multiple delivery schedules, and unnecessary stress. Terry Moving & Storage is setting a new industry standard by offering an integrated solution that eliminates these headaches, ensuring both home and vehicle arrive together.

“We’re excited to introduce a service that finally addresses one of the biggest frustrations in moving,” said Mark Terry, owner of the company. “With our all-in-one [full-service move & auto transport solution](#), customers no longer have to deal with two different companies, separate delivery windows, or the uncertainty of when their car will arrive. Everything moves together, safely and efficiently.”

SPEED, SAVINGS, AND SIMPLICITY WITH TERRY MOVING & STORAGE
