

# Shopify Merchants Can Offer Stamp Loyalty with MF Stamp — Available Now in the Shopify App Store

JAPAN, April 8, 2025 /

EINPresswire.com/ -- [MF Stamp](#) is a Shopify app that revolutionizes customer loyalty. With its interactive stamp card system, shoppers earn rewards like discounts and free shipping through engaging, gamified experiences. Designed for modern e-commerce, MF Stamp is ready to help merchants worldwide grow their business.

Today marks the official launch of MF Stamp, a pioneering loyalty app for Shopify merchants. In an era where customer retention is vital, MF Stamp provides an inventive solution that rewards loyal shoppers through a unique, gamified stamp card system. This new tool is set to redefine the way online stores build lasting relationships with their customers.

“MF Stamp was developed with the aim of making the shopping experience on Shopify stores more approachable. Our stamp-style loyalty card is not only visually engaging but also clearly sets the next reward goal,

which significantly contributes to increasing repeat business. I am thrilled that through this app, we can help further enhance customer loyalty,” said Hiroyuki Ishiwatari, CEO of MeeFa.

## A Fresh Take on Loyalty Programs

Traditional loyalty programs often fall short of engaging today’s digitally savvy consumers. MF Stamp reinvents this concept by introducing a fun and interactive approach. Every time a

customer makes a purchase or refers a friend, they earn digital stamps. Once enough stamps are collected, they can be redeemed for valuable rewards such as discounts, free shipping, and other exclusive benefits. This game-like system not only motivates repeat purchases but also makes the entire shopping experience more enjoyable.

#### Tailored for Shopify Merchants

MF Stamp has been meticulously designed with Shopify store owners in mind. Its seamless integration means that merchants can easily incorporate the app into their existing platforms without disrupting their operations. Customization options allow businesses to align the loyalty program with their brand identity. Additionally, MF Stamp offers the unique capability of providing initial stamps to new customers, lowering the entry barrier and encouraging first-time purchases with immediate incentives.

#### Boosting Engagement with Referrals and Automation

A standout feature of is its integrated referral program. Merchants can effortlessly create referral campaigns where both the existing customer and the new customer benefit from rewards, thereby amplifying organic growth. Furthermore, by connecting with Shopify Flow, MF Stamp automates the process of awarding stamps at the perfect moment—be it after a successful purchase or following a customer review—ensuring that every interaction is timely and meaningful.

#### About MF Stamp

MF Stamp is an advanced loyalty app built for Shopify. It blends gamification with powerful automation features to create a rewarding customer experience. By incentivizing purchases and referrals, MF Stamp helps online merchants nurture lasting relationships with their customers.
