Key Benefits of the Face & Eye Collection:

Deep Hydration – The formulas are designed to restore moisture balance, helping to prevent dryness and support the skin barrier.

Antioxidant Protection – Ingredients rich in vitamins, essential fatty acids, and natural plant extracts work to defend against oxidative stress and environmental damage.

Non-Toxic and Safe for Sensitive Skin – Formulated without parabens, phthalates, synthetic fragrances, or harsh irritants, making it suitable for all skin types, including sensitive skin.

Lightweight, Non-Greasy Formulation – The skincare products in this set absorb quickly without leaving a heavy residue, making them ideal for daily use.

Sustainable and Ethical Formulation – The collection aligns with eco-conscious skincare principles, ensuring cruelty-free, responsibly sourced ingredients and minimal environmental impact.

A Closer Look at the Face & Eye Collection

Nobiesse Face Cream

The Nobiesse Face Cream is designed to provide long-lasting hydration while helping to maintain the skin's natural elasticity and smoothness. The formula includes:

Hyaluronic Acid – A deeply hydrating ingredient known for its ability to retain moisture and

improve skin plumpness.

Squalane – A plant-derived moisturizer that mimics the skin's natural lipids, enhancing softness and barrier function.

Botanical Extracts – Including antioxidant-rich ingredients that help combat environmental stressors.

This face cream absorbs quickly, leaving the skin supple, nourished, and radiant. Unlike many traditional moisturizers, it avoids synthetic additives and instead focuses on clean, skin-loving ingredients.

Nobiesse Eye Treatment

The eye treatment in the Face & Eye Collection targets delicate under-eye skin, helping to reduce signs of fatigue, puffiness, and fine lines. Key ingredients include:

Caffeine Extract – Helps to depuff and brighten the under-eye area.

Peptides – Known for their ability to support collagen production, promoting firmer, smoother skin.

Chamomile and Green Tea Extracts – Soothing botanicals that reduce irritation and provide antioxidant protection.

The eye treatment is designed for gentle application, working effectively to hydrate, refresh, and revitalize tired-looking eyes.

The Nobiesse Approach to Clean Beauty

As a brand, Nobiesse prioritizes transparency and quality, ensuring that every product formulation aligns with modern skincare science and clean beauty standards. The Face & Eye Collection reflects the brand's commitment to safe, effective, and environmentally conscious skincare.

No Harsh Chemicals – Free from parabens, sulfates, synthetic dyes, and artificial fragrances.

Eco-Friendly Packaging – Designed with sustainability in mind, ensuring a minimal environmental footprint.

Dermatologist-Tested – The formulas are created with skin health in focus, ensuring they are suitable for all skin types.

According to Matthew Frederick, founder of Nobiesse, "We believe in creating skincare products that enhance skin health without exposing consumers to harmful chemicals. The Face & Eye Collection embodies this philosophy—blending science-backed hydration with safe, plant-based ingredients."

Why Consumers Are Choosing [Skincare Bundle Sets](#)

Skincare routines have evolved, with more consumers seeking simplified yet effective solutions. The Nobiesse Face & Eye Collection meets this demand by offering a curated skincare regimen in a single bundle.

Convenience – A comprehensive approach to skincare in one package, eliminating the need for multiple purchases.

Ingredient Synergy – Products designed to work together for optimal results.

Cost-Effective – Buying a skincare bundle often provides better value compared to purchasing items separately.

With the rise in skin-conscious consumerism, high-quality skincare sets like the Nobiesse Face & Eye Collection are becoming a preferred choice for individuals looking to invest in their skin health.

Available Now for Consumers Seeking Clean, Effective Skincare
