Cautionary Note Regarding Forward-Looking Statements

This news release contains statements that constitute "forward-looking statements." Such forward looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements, or developments to

differ materially from the anticipated results, performance or achievements expressed or implied by such forward-looking statements.

Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects,” “plans,” “anticipates,” “believes,” “intends,” “estimates,” “projects,” “potential” and similar expressions, or that events or conditions “will,” “would,” “may,” “could” or “should” occur.

Forward-looking statements in this document include, among others, statements relating to expectations and intentions regarding the Listing on the Exchange, preparing and filing and receiving a receipt from the BCSC with respect to the Prospectus, the business plans of the Company and other statements that are not historical facts. By their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause our actual results, performance or achievements, or other future events, to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Such factors and risks include, among others: (a) that there is no assurance that the Company will obtain a conditional or final approval from the Exchange in connection with its planned CSE or final receipt from the BCSC in connection with the Prospectus on the expected timeline or at all; (b) the anticipated costs to complete the Listing may exceed current expectations; (c) following completion of the Business Combination, the Company may require additional financing from time to time in order to continue its operations which may not be available when needed or on acceptable terms and conditions; (d) the new laws and regulations could adversely affect the Company’s business and results of operations; (e) the stock markets have experienced volatility that often has been unrelated to the performance of companies and these fluctuations may adversely affect the price of the Company’s securities, regardless of its operating performance; (f) limited business history of the Company; (g) disruptions or changes in the AI markets or the economy generally; (h) unanticipated costs and expenses; and (i) general market and industry conditions.

The forward-looking information contained in this news release represents the expectations of the Company as of the date of this news release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward-looking information and should not rely upon this information as of any other date. The Company undertakes no obligation to update these forward-looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.
