HIV Testing and Counseling:
Confidential services were provided to promote awareness and prevention.

The camp also emphasized health education, offering sessions on preventive care and healthy living. This holistic approach aimed to empower residents with knowledge to maintain long-term well-being.

Dr. Paul Mulyamboga, Team Leader of Doctors on Mission International, highlighted the significance of the event:

"This medical camp exemplifies the power of collaboration in addressing healthcare disparities. By uniting resources and expertise, we've made a tangible difference in the lives of Ogul Village residents."

Hon. Betty Aol Ochan, Gulu City Woman Member of Parliament, commended the initiative:

"Access to quality healthcare is a fundamental right. The services provided here have not only treated ailments but have also restored hope and dignity to our people."

Amigos Internacionales and Doctors on Mission International extend their gratitude to all volunteers, medical professionals, and donors who contributed to the success of this camp. Their dedication underscores a shared commitment to serving vulnerable populations and advancing global health equity.
