A Unique Audiobook Experience

“

The goal is to create an audiobook that doesn't just tell a story—it pulls you in. With this audiobook, we're pushing boundaries in the way storytelling reaches people.”

Stacee M., CEO of SunJoy Books

Set in a realm where both the world we know and another world collide, The Imagi Nation - A Dramatized Audiobook Experience follows Jerry Seecher, a journalist who reluctantly unravels his resistance to what an assignment reveals to him, as he navigates the merge between the two worlds and what's being revealed about himself.

Unlike traditional audiobooks, The Imagi Nation - A Dramatized Audiobook Experience will feature multiple voice actors, immersive sound design, and original soundtrack.

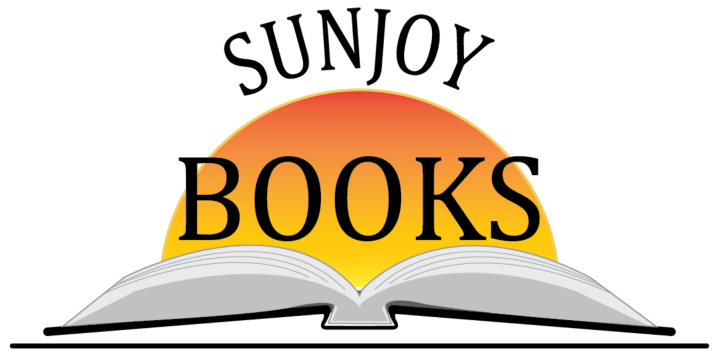

The goal is to create an audiobook that doesn't just tell a story—it pulls you in,” says Stacee M. CEO of SunJoy Books. “With this audiobook, we're pushing boundaries in the way storytelling reaches people.”
