His mission as a doctor is to take the time to understand each person's needs and design tailored treatment plans that prioritize long-term success and comfort.

In addition to single and multiple implants to replace missing teeth, Dr. Ro offers “All-on-X” implants. This cutting-edge approach can replace a full arch of teeth,

using implants to support a single restoration, such as a denture or bridge. It is a permanent

solution for those needing extensive dental restorations, sometimes delivered in a single day.

"Complete Dental Works" is widely known for its gentle, personalized approach, and commitment to excellence. The entire team is dedicated to providing an exceptional patient experience, in a relaxed and comfortable environment. Dr. Ro takes time to understand each patient's needs, and designs tailored treatment plans that prioritize long-term success and comfort.

Both offices are multilingual, ensuring that people from diverse backgrounds feel comfortable and understood. The practice has been recognized for giving back to the community in multiple ways.

Dr. Ro earned his Doctor of Dental Medicine (DMD) degree from the "University of Medicine and Dentistry of New Jersey" in 2009. After graduation, he completed an advanced residency at "Hackensack University Medical Center". He then attended the prestigious 2-year program at "New York University College of Dentistry", where he trained in both Surgical and Prosthetic Treatment of Dental Implants.

Dr. Ro gained additional expertise by completing training from "American Academy of [Implant Dentistry](#)", and was awarded his Fellowship Certificate from the distinguished "Misch-Resnick Implant Institute".

Dr. Ro is a member of the "American Dental Association" and the "Academy of General Dentistry", and accepts multiple insurance plans. His practice also provides Cosmetic Dentistry, Smile Makeovers, Crowns, Bridges, Veneers, Whitening and treats Dental Emergencies. Root Canal Therapy, Periodontal (Gum) Treatment, Bonding, Oral Surgery and Wisdom Teeth Extractions are also available. The office also offers Nitrous Oxide Sedation, Laser Dentistry, Invisalign, Dentures, Partial Dentures, Cleanings and Preventative Care.
