*Technology Executive, Guillermo Avila, Joins Avant Advisory Group*

NEWPORT BEACH, CA, UNITED STATES, April 9, 2025 /EINPresswire.com/ -- [Avant Advisory Group](#) is pleased to welcome [Guillermo Avila](#) as its Managing Director of Information Technology & CIO Interim Management. With over 30 years of experience in technology leadership, project management, and IT strategy, Guillermo has held senior executive positions, including CIO and Director of Information Technology, and as trusted management consultant for such professional organizations as Accenture.

He is also known for his specialized expertise in rescuing and successfully turning around IT projects that are facing significant challenges, including post-merger integrations, ERP selection and implementation, and project management.

[Jim Davidson](#), founder and president of Avant Advisory commented: "I met Guillermo nearly 20 years ago during a tough client turnaround while he was simultaneously implementing a hugely successful ERP implantation. Since our first meeting and continuing in the years beyond, I've become increasingly impressed with Guillermo's expertise, particularly in his successful rescue of large implementations gone awry.

I'm so proud to announce that Guillermo will now do for Avant Advisory Group what he has done countless times in leading IT strategies and enterprise-wide project implementations for global companies. Guillermo's experience across multiple industries, including manufacturing, consumer products, biotechnology, food distribution, food service, and pharmaceuticals will be invaluable in securing value for our clients."

Guillermo Avila shared his thoughts on joining Avant Advisory Group, saying: "I am honored to join Avant Advisory Group and collaborate with a team that shares my passion for delivering

strategic IT leadership and project turnarounds. Throughout my career, I've focused on helping organizations navigate complex technology challenges, and I look forward to leveraging that experience to drive transformative outcomes for Avant's clients."
