

# Maryland's CPA Industry Shifts Toward Outsourced Bookkeeping Services in 2025

*Specialized bookkeeping support built around your CPA firm's workflow. Experience customized service from professionals who know your world.*

MIAMI, FL, UNITED STATES, April 7, 2025 /EINPresswire.com/ -- In the dynamic and ever-evolving business landscape of 2025, outsourcing bookkeeping services has become an essential strategy for CPA firms aiming to boost efficiency, reduce costs, and foster long-term growth. By entrusting routine bookkeeping tasks to experienced external providers, CPAs can focus on delivering more valuable services, such as client advisory and strategic financial planning. This shift not only enhances profitability but also paves the way for sustainable growth. With this growing trend, IBN

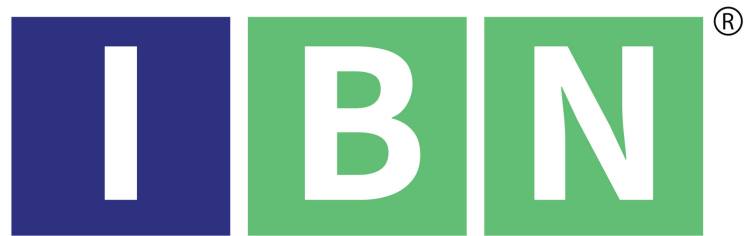

Technologies is offering customized [outsourced bookkeeping services](#) specifically tailored for CPA firms in Maryland and across the United States. This innovative solution alleviates the burden of day-to-day financial operations, enabling firms to provide more value for their clients.

## The Growing Challenge for CPA Firms

CPA firms in the USA face mounting pressures from rising labor costs, staffing shortages, and increasingly complex compliance requirements. Recent research highlights the urgent need for more effective solutions:

IBN Technologies: Expert in Outsourced Finance and Accounting Services

1) 68% of mid-sized CPA firms struggle to find qualified in-house bookkeeping staff.

2) The average firm spends over \$60,000 annually on bookkeeping personnel alone.

3) 42% report delays in financial reporting due to capacity limitations.

These statistics underline the growing need for innovative strategies that relieve operational burdens without compromising the quality and accuracy of financial records.

### IBN Technologies: A Reliable Solution

IBN Technologies, a trusted provider of outsourced bookkeeping services, offers a comprehensive solution to these challenges. By combining 25 years of expertise with secure infrastructure and state-of-the-art technology, IBN Technologies provides dependable, scalable, and cost-effective offshore bookkeeping services. This allows Maryland CPA firms to overcome staffing shortages, reduce operational costs, and maintain compliance—while ensuring accurate, up-to-date financial records.

IBN Technologies seamlessly integrates with top systems such as [QuickBooks](#), Xero, and Sage, offering a fully managed solution that helps firms focus on high-value services. With IBN's services, Maryland CPA firms can achieve greater operational efficiency and profitability.
