

# JUNK.COM KICKS OFF EARTH MONTH WITH ECO-SMART SPRING CLEANING & THE #JUNKFORGOOD CHALLENGE

*Declutter Responsibly, Win Big, and Help the Planet This April*

DALLAS, TX, UNITED STATES, April 7, 2025 /EINPresswire.com/ -- This Earth Month, [junk.com](https://www.junk.com) is helping people clean up their homes and the planet. With [eco-friendly](#) junk removal tips and the launch of the #JunkForGood Challenge, Junk.com is making it easy—and rewarding—to declutter responsibly.

## Spring Cleaning, the Green Way

Spring is the perfect time to refresh your space, but not all clutter belongs

in a landfill. Junk.com shares Earth-friendly disposal tips to make spring cleaning sustainable:

- Donate & Repurpose – Gently used furniture, clothes, and appliances can find new homes with local charities.
- Recycle Right – Electronics, batteries, and household chemicals require special disposal—check local recycling programs.
- Compost When Possible – Yard waste and organic scraps are better suited for compost bins than trash cans.
- Schedule Responsible Removal – Junk.com ensures recyclable and donatable items are handled with care.

“Decluttering shouldn’t mean dumping everything in the trash,” said Nicole Turturici, CEO of Junk.com. “This Earth Month, we’re on a mission to make junk removal smarter, greener, and more impactful. Small changes in how we dispose of things can lead to big benefits for the planet.”

Join the #JunkForGood Challenge

A Junk.com crew member makes a donation drop as part of the company's #JunkForGood Earth Month campaign.

Junk.com is inviting the community to take part in the #JunkForGood Challenge on social media through April 30. Here's how to get involved:

- Snap a Pic – Got clutter chaos? A space in shambles? Show us your mess!
- Tag & Share – Post your photo on Instagram or Facebook with #JunkForGood, and tag @Junk.com and @Junk.com\_junkremoval.
- Win Big – One lucky winner will score a free eco-friendly junk removal (valued up to \$500) and a \$500 donation to the charity of their choice!

Your mess could make a difference. Join the challenge and make an impact this Earth Month.
