More awards in the Spring Season for a Global and International award winner

LINDEN HIGHWAY, REGION 4, GUYANA, April 8, 2025 /EINPresswire.com/ -- Spring 2025 has just begun, and many people feel relieved from winter. Author Geary Reid welcomed the Spring season with open arms, as it delivered another bountiful season to him. He submitted five of his nonfiction books to The Bookfest, USA, in February 2025, and in April 2025, this book awarding body carefully evaluated his five submissions. At the

end of their evaluation, he received a 100% success rate again. This level of success continues what he received in October 2024, where he also received 100% success, after submitting 10 of his non-fiction books.

Read today and become better tomorrow."
