

# Conserv Releases Compact FR 300 SG Upright Freezer with Modern Stainless Steel Design

HOUSTON, TX, UNITED STATES, April 7, 2025 /EINPresswire.com/ -- Conserv Appliance announces the debut of the FR 300 SG Compact [Upright Freezer](#), designed to deliver efficient freezing performance in a space-saving, stainless steel package. With a capacity of 3.0 cu. ft. and dimensions of 34.5 x 20.7 x 21.3 inches (HxWxD), this compact model blends utility and form, ideal for a variety of environments including kitchens, garages, apartments, and dormitories.

Built with attention to both aesthetics and practicality, the FR 300 SG features a fingerprint-resistant stainless steel finish, maintaining a polished appearance in high-traffic areas. Its reversible door and flush back design support flexible installation in limited or unconventional spaces, while adjustable legs offer added stability on uneven surfaces.

The unit operates at a quiet 41 dB, making it suitable for shared spaces where noise levels matter. Maintenance is simplified with a manual defrost system that includes a built-in drain, while interior organization is enhanced through two sturdy shelves and a pull-out drawer, ensuring contents remain accessible and neatly arranged.

For purchasing the product - [https://equatorappliances.com/product-detail.php?product=conserv-3cf-compact-upright-freezer-reversible-door-freestanding-110v-e-star-753-1977&category\\_id=19](https://equatorappliances.com/product-detail.php?product=conserv-3cf-compact-upright-freezer-reversible-door-freestanding-110v-e-star-753-1977&category_id=19)

Engineered for energy-conscious consumers, the FR 300 SG offers reliable performance while
