Triple continues to set the standard for THC beverages by offering flavor-forward, sessionable products that rival the best alcohol-spiked drinks, minus the downsides. Whether mixed into sparkling water, a cocktail, juice, or enjoyed solo, the cherry lemon-flavored Triple Drop is the perfect companion for any occasion.

The Drop is complementary to Triple's existing seltzer product. With Triple High Seltzer, Triple's THC formulation offers a drink that's perfect for enjoying throughout the day or night, similar to how one would consume a beer or hard seltzer. Triple High Seltzer comes in three flavors – lime, cherry-lemon and grapefruit. The buzz kicks in within 15-20 minutes, lasts as long as a typical social drink, and is followed by no hangover. Triple High Seltzer offers a social buzz with just 15-25 calories per can, compared to around 100 calories in most traditional hard seltzers.

"These delightful mocktail recipes are perfect for unwinding, sharing, and exploring new ways to enjoy cannabis," said Will Spartin, Triple Chief Operating Officer. "As always, we encourage our customers to sip responsibly and ensure compliance with local cannabis consumption laws."

The Triple Drop is now available at select retailers where Triple High Seltzer can be found. Nationally, find The Drop and seltzer at drinktriple.com.
