The Growing Challenge for CPAs in North Carolina

CPA firms in the USA face significant pressures, including rising labor costs, staffing shortages, and increasingly complex regulatory requirements. Industry data shows:

1) 68% of mid-sized CPA firms struggle to maintain qualified in-house bookkeeping staff.

2) The average firm spends over \$60,000 annually on bookkeeping personnel.

3) 42% report delayed financial reporting due to capacity limitations.

These mounting challenges highlight the urgent need for innovative solutions that ease operational burdens without compromising quality or accuracy.
