

CMMC Certified Assessor (CCA) Training by ecfirst, An Authorized Training Provider

Advance Your Cybersecurity Career and Lead CMMC Assessments with CMMC

WAUKEE, IA, UNITED STATES, April 9, 2025 /EINPresswire.com/ -- [ecfirst](https://www.ecfirst.com), a premier AI, cyber defense, and compliance education provider, is excited to announce its upcoming CMMC Certified Assessor (CCA) Training, delivered virtually from June 17-20, 2025.

This intensive, four-day instructor-led course equips professionals with the advanced knowledge and practical skills necessary to conduct official Cybersecurity Maturity Model Certification (CMMC) Level 2 assessments. As the demand for certified CMMC assessors continues to rise across the Defense Industrial Base (DIB), ecfirst's training packed with scenarios and situations, provides insight for performing readiness and assessments.

Who Should Attend

- Certified CMMC Professionals (CCPs) ready to take the next step
- Cybersecurity consultants and assessment professionals
- Professionals supporting federal contractors handling Controlled Unclassified Information (CUI)
- Compliance professionals
- IT professionals

Training Highlights

- In-depth coverage of CMMC Level 2 assessment requirements
- Guidance on preparing for and performing assessments as a certified CCA
- Real-world scenarios, case studies, and assessor insights
- Live instruction from ecfirst's expert faculty
- Preparation for the CMMC-AB CCA Exam
- Certificate of Completion

"The CMMC ecosystem provides opportunities for professionals for both readiness and assessments towards certification for Organizations Seeking Certification (OSC)," said Ali Pabrai, CEO of ecfirst. "As CMMC adoption accelerates, those with the CCA credential will play a pivotal role in protecting national security across the DIB."

Seats are limited – secure your spot and prepare to lead with authority in the CMMC ecosystem.
