

Family Hospice partners with Alzheimer's Association to expand educational outreach

Collaboration aims to provide essential resources for families and caregivers

ATLANTA, GA, UNITED STATES, April 8, 2025 /EINPresswire.com/ -- [Family Hospice](#) announces an official partnership with the [Alzheimer's Association](#), Georgia Chapter, to enhance educational outreach and raise awareness of available resources for individuals facing Alzheimer's or other dementia.

This collaboration will provide families, caregivers, and healthcare professionals with critical information on hospice and Alzheimer's and dementia-related support. As part of this effort, Family Hospice and the Alzheimer's Association are planning an upcoming statewide initiative in Georgia aimed at expanding awareness and support. Both organizations will share educational materials at community events and through social media to ensure families and caregivers have access to the guidance they need.

“

We know that families facing Alzheimer's disease often encounter the complexities of end-of-life care. This partnership with Family Hospice is a crucial step in bridging that gap.”

Jill Disney

“We understand that Alzheimer's disease and other related dementia often present unique challenges for both patients and their families,” said Paige Powell, the sales support manager at Family Hospice. “By partnering with the Alzheimer's Association, we strengthen our shared mission of improving the lives of those affected by this disease. This collaboration grants our team the opportunity to make a powerful and far-reaching

contribution, expanding our impact to a scale that will truly transform the lives of many.”

“We know that families facing Alzheimer's disease often encounter the complexities of end-of-life care. This partnership with Family Hospice is a crucial step in bridging that gap,” said Jill Disney, the senior director of programs and services at the Alzheimer's Association, Georgia Chapter. “By

combining our resources and expertise, we can provide families more comprehensive support, education, and guidance during these challenging times, ensuring they receive the specialized care they need.”
