The expansion is led by George Lockhart, a dedicated healthcare professional with a deep personal connection to senior care and a passion for helping older adults age with dignity in the comfort of their own homes.

George brings a strong work ethic and a heartfelt mission to his role as the new owner of Always Responsive Home Care of Somerset and Hunterdon Counties. However, it was his personal experiences—losing his father at a young age and the powerful influence of his grandfathers—that shaped his vision for senior care.

“I saw firsthand how important it is for aging adults to receive not only medical support but emotional support as well,” said George Lockhart. “My grandfathers were incredible role models for me. Watching them age and witnessing the critical role that family and caregivers played in their lives lit a fire in me. I knew I wanted to

dedicate my career to giving back in that same way, with trust, compassion, and empathy.”

Now newly married and building his future with purpose, George is excited to lead his team of caregivers with the same core values that have guided his life. His commitment to creating
