

CELEB-ADORED, AWARD-WINNING PEARL PILLOW MAKES WALMART.COM DEBUT

BOCA RATON, FL, UNITED STATES, April 9, 2025 /EINPresswire.com/ -- Following its enormously successful release on Amazon.com and recent recognition by LUXLife as the 'Most Innovative Restorative Sleep-Focused Pillow Brand 2025', wellness leader [Imbibe Lifestyles](#) is now announcing the launch of its award-winning [Pearl Pillow](#) on [Walmart.com](#).

"Our debut on Walmart.com could not come at a better time," stated Michealene Cristini Risley, Imbibe Lifestyles CEO and Co-Founder. "As one of the most accessible and affordable platforms in the United States, we can now supply luxurious quality to all shoppers, ensuring they have the support needed to finally achieve fully restorative sleep."

Recently making headlines with its appearance at the star-studded GBK Brand Bar's Bodywell & MEND 2025 Critics' Choice & Grammy Fire Relief Lounge, and being rated number one by chiropractors, the Pearl's doctor-designed innovation combined with premium materials is reimagining comfortable and mindful sleep.

Unlike standard pillows, the Pearl offers copper and silver-infused technology with airflow ventilation that promote healing benefits, freshness and comfort; and advanced phase changing materials (PCM) blended with water-based technology to help manage temperature. And all of

this strategic, nontoxic 'science' is safely tucked inside a broad-spectrum, cooling antimicrobial nylon blend fabric to help dreamers stay cool and dry, while keeping the Pearl's surface clean for years to come.

"As we continue expanding our reach in the 15.5 billion dollar sleeping pillow industry, we're changing the status quo," added Risley. "Walmart.com is an incredible step forward; further proof that all consumers- from Grammy's VIPs to everyday shoppers- are seeking life-improving sleep solutions."

Imbibe Designs will be launching more trailblazing pillow designs later this year to even further meet each sleeper's unique needs.
