## About Sara Wolfe:

Sara Wolfe knows what it means to start over. After walking away from a 29-year toxic marriage, experiencing homelessness, and relying on food stamps, Sara Wolfe started over with just \$350. No strategy. No roadmap. No safety net. Just the refusal to give up. She built from the ground up—quietly at first—until the work spoke for itself. Today, she’s known for helping others on a global scale grow businesses rooted in clarity, intention, and real results.

Now a sought-after expert in business strategy, leadership, and personal transformation, Sara works with growth-stage entrepreneurs and leaders who are ready to build businesses that are both profitable and deeply aligned with who they are. Her clients aren’t chasing trends—they’re looking for clarity, structure, and a smarter way forward. Through her Limitless Life Method and IGNITE Framework, Sara helps them cut through complexity, lead with intention, and scale in a way that feels sustainable generating both wealth and impact.

Sara Wolfe

Sara doesn't subscribe to hustle culture or empty promises of overnight success. Whether she's advising business owners, executives, or emerging thought leaders, Sara equips her clients with the clarity, tools, and frameworks to lead with authority and expand their impact—locally and globally.

Her mission extends beyond personal success. Sara is building a movement of fearless innovators and disruptors who refuse to play small. For those ready to stop waiting for permission and start creating their own version of success, she is the guide, mentor, and strategist they need.
