

# New Live Album The Way from Life.Church Worship Now Streaming Worldwide

*An invitation to encounter Jesus as the Way, the Truth, and the Life*

OKLAHOMA CITY, OK, UNITED STATES, April 11, 2025 /EINPresswire.com/ -- Life.Church Worship announces the release of their latest live album, *The Way*, now available wherever music is streamed. This 10-track project captures a spirit-filled night of worship, drawing listeners into a deeper relationship with Jesus and revealing more of His heart. At the center of the album is the focus track, "So Much," a heartfelt song of gratitude.

A powerful live album from Life.Church Worship, *The Way*, is now available wherever music is streamed.

"This song is a simple yet powerful response to God's unwavering faithfulness to us," said Cassidy Estevez of Life.Church Worship. "It reminds us that because of how perfectly He loves us, we always have so much to be thankful for."

“

We're believing God will use these songs to reveal His heart to people far beyond our church."

The album also includes Life.Church Worship's latest singles—"Redemption Has Come" (released February 28) and "Christ In Me" (released March 21)—both recorded live alongside the rest of the album. *The Way* captures the energy and authenticity of a transformative night of worship with the Life.Church family.

"Even before the first note, we could feel God's presence in the room—then voices lifted and hearts responded in praise," Estevez said. "We've already seen stories of healing and restoration from that night, and we're believing God will continue using these songs to reveal His heart to people far beyond our church."

With passionate worship, live energy, and Christ-centered lyrics, *The Way* is a bold call to follow Jesus wholeheartedly. Listen to *The Way* at <https://lnk.to/thewayalbum>.
