3. Instant Cocktail/ Mocktail Kit – A ready-to-mix innovation allowing retailers and bars to easily create premium bubble tea cocktails anytime, anywhere. It's bubble tea with a twist—perfect for Europe's growing demand for experiential beverages.

4. Spicy TABASCO-Flavored Popping Boba – A game-changing topping or dipping ingredient. These bold pearls add a spicy kick and unexpected texture to savory dishes, appetizers, or mixology creations. A fusion item that opens new categories in both retail and foodservice.

As European consumers increasingly seek new textures, visual appeal, and interactive food experiences, BOBA CHiC's offerings are strategically designed to meet the evolving demands of food retail distributors, private label buyers, and gourmet concept stores.
