EL PASO, TX, UNITED STATES, April 10, 2025 /EINPresswire.com/ -- In a new episode of [Giving with Gopin](#), attorney Michael J. Gopin visits Harmony Public Schools in El Paso to meet with the talented student rocketeers from Harmony's Science Academy Team as they prepare to compete in the prestigious American Rocketry Challenge.

Harmony's students are aiming high—literally. Their dedication to STEM education and aerospace innovation has already earned national attention. In 2024, one of the school's teams placed 8th in the nation at the American Rocketry Challenge National Finals, earning an invitation to participate in NASA's Student Launch program. This year, Harmony is once again on the roster of schools competing in the 2025 challenge, continuing a tradition of excellence and ambition.
