“

I am bringing the Hot Girl Walk community to Malibu to support small businesses that are facing real challenges. Malibu is a special place, and I am excited to support the Malibu community.”

Mia Lind, Creator of the world-famous Hot Girl Walk

The event, led by Hot Girl Walk founder Mia Lind, will begin and end at the Broad Street Coffee Co in the Malibu Mart. Attendees will join Mia for an inspiring 2 mile walk, where they are encouraged to focus on the pillars of the Hot Girl Walk: Things you’re grateful for, your goals and how to achieve them, and your confidence (how ‘hot’ you are!). The free event will attract participants from all over the Los Angeles area to support local businesses impacted by the closure of the Pacific Coast Highway – a critical lifeline for Malibu’s economy that is closed due to the recent wildfires.

Hot Girl Walk is continuing to build the brand’s ‘Hot Girl Walk for Good’ initiative, which has raised thousands of dollars to support organizations like the Los Angeles Downtown Women’s Center, which supports many people that have been affected by the wildfires.

Local residents, visitors, and fans of the Hot Girl Walk movement are invited to attend this free event. There will be fun giveaways, and it's a great opportunity to connect with others while supporting Malibu small businesses.

About Hot Girl Walk

Mia Lind created the Hot Girl Walk in 2020, during the pandemic, as a way to deal with the negative impacts of isolation. She went on 4 mile walks, confronting her negative self-talk, and focusing on positive, aspirational thoughts and ideas.

Mia began to think of her walks as a 'Hot Girl Walk,' and she focused on 3 things during the walk: Gratitude, Goals and Confidence.

The results were amazing: Mia became more confident, happier, and successful in her day-to-day life. Her friends and family encouraged her to share her ideas, and the Hot Girl Walk brand was born, with the first video posting in January 2021. Hot Girl Walk has billions of hashtags and views on social media, and many millions of people worldwide have become part of the Hot Girl Walk, making it a truly global phenomenon.

The Hot Girl Walk is a 4 mile, outdoor walk, where you focus on 3 things:

1. What you're grateful for
2. Your goals and how you're going to achieve them
3. Your Confidence (How HOT you are!)
